## Memories from the 2022 SILGA AGM and Convention in Salmon Arm

What a great event! It was so exciting to be back in person after three long years. Fantastic speakers, great networking opportunities and some old-fashioned fun were enjoyed by the delegates. If you were unable to make it to Salmon Arm, all the presentation PowerPoints have been loaded on the SILGA website. And please enjoy these memories!

## 2022 Convention Follow Up Resolutions

32 resolutions were carried at the April AGM while one was withdrawn. There were nine Community Safety resolutions ranging from rural policing and RCMP funding to Emergency Management program reform and fire and flood mitigation. Please support all the SILGA resolutions at the upcoming UBCM Convention. [Click here](#) for the complete list.

## Evaluations

We heard you! You want more information on how communities can improve food security and supply and regional community food system resiliency. We're working with LGLA on a seminar. Stay posted.

## UBCM Minister Meetings

SILGA has requested meetings with Emergency Management (fire/flood mitigation and preparation); Agriculture (food security) and Attorney General (community services for supportive housing).
