

SILGA Forest and Wildfire Management Webinar

Save the Date!

February 28th 12:00 pm – 1:30 pm

SILGA invites you to an interactive webinar on forest and wildfire management. These experts will focus on forest practices including science, policy and legislation to improve wildfire resiliency in BC. Join Doug Donaldson and Kevin Kriese with POLIS, RFP Murray Wilson and West Kelowna Fire Chief Jason Brolund for insights into how we can all help prevent and limit the damage from wildfires.

Doug is the Senior Wildfire Analyst for POLIS. He is the former MLA for Stikine and the former Minister of Forests, Lands, Natural Resource Operations and Rural Development.

Kevin is trained as a forester (BSF, UBC) and planner (MRM, SFU), and has a certificate in conflict resolution (JIBC). He worked for over 30 years for the B.C. provincial government designing and delivering land use plans, developing government-to-government agreements with Indigenous Nations, and leading organizational change.

Murray Wilson is a retired Registered Professional Forester who completed his working career as the BC and Manitoba Stewardship Manager for Tolko Industries.

Jason Brolund is the West Kelowna Fire Chief who led his members in battling the McDougall Creek Wildfire last summer.

This webinar is open to all elected officials and staff. Although there is no cost to participate in this session, you must register in advance to receive a link to log in. Please email the SILGA office at yoursilga@gmail.com.
