Dear President Richmond,

Thank you and the delegation from the Southern Interior Local Government Association (SILGA) for such an informative meeting during this year's Union of BC Municipalities Convention in Victoria. It was a pleasure meeting with you and hearing about the issues of importance to your community.

I am writing to follow up on our discussion regarding the costs of policing and the upcoming police service agreement negotiations.

I encourage you to build on our discussions regarding RCMP resourcing and service delivery by reaching out to Katherine St. Denis, Director BC RCMP Service Delivery, Policing and Security Branch. Katherine can be reached via email at: Katherine.StDenis@gov.bc.ca or telephone at: 778-572-3401.

Should you wish to further discuss local government participation in future Police Service Agreement negotiations, please contact Vanessa Rhodes, Director, Intergovernmental Relations, Policing Security Branch at Vanessa.Rhodes@gov.bc.ca or 778-572-3412.

This meeting was a welcome opportunity to exchange ideas and share information. Together, I am confident we can work to address issues of importance to the Southern Interior Local Government Association (SILGA) through continued partnership.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nina Krieger'.
